The Tillman case has reached
the argument stage.

The grand jury of Moore county,
Tenn., has returned indictments
against 22 men for lynching a negro
on Sept. 24. The defendants
were admitted to bail.

A Louisville belle has agreed to
marry a young man bearing the
name of Milo Shanks, who lives in
Washington. But, after all, there's
nothing in a name.

New York was visited last week
by the heaviest rainfall in its history.
The entire Atlantic section,
from Washington to Massachusetts,
was deluged.

The Democrats of Nashville had
no difficulty in electing their city
ticket last Thursday by 1,300 majority.
A. S. Williams is the new
mayor.

The Democrats are making a
game fight in the city campaign at
Indianapolis and expect to win with
their municipal ticket in the election
to day. Holtzman is the Democratic
candidate for mayor, opposed
by Bookwalter, the present mayor.

Prof. Langley's air ship was
given its final trial last week and
was a complete wreck. It plunged
into the river and sank out of
sight. The world is still looking to
Santos Dumont to successfully solve
the problem of aerial navigation.

Joe Folk, the Missouri Felon
Fighter, has been to see President
Roosevelt in person to induce him
to arrange for the extradition of the
buddlers who are Durbinized in
other states. Make a ruling,
Teddy, that will apply to both
Missouri and Kentucky.

The estimates of the registration
in Louisville last week have been
found about 8,000 short of the actual
figures as given out. The total is 47,562, of which 25,270 are
Democrats, 15,429 Republicans,
and 7,539 Independents. No explanation
is given as to the big
mistake made in last week's
figures. The Democrats are claiming
the city by 5,000 majority.

There is more Catarrh in this section
of the country than all other
diseases put together, and until the
last few years was supposed to be
incurable. For a great many years
doctors pronounced it a local disease
and prescribed local remedies
and by constantly failing, to cure
with local treatment, pronounced it
incurable. Science has proven catarrh
to be a constitutional disease
and therefore requires constitutional
treatment. Hall's Catarrh Cure
manufactured by F. J. Cheney & Co.,
Toledo, Ohio, is the only cure on the
market. It is taken internally in
doses from 10 drops to a teaspoonful.
It acts directly on the blood
and mucous surface of the system.
They offer one hundred dollars for
any case it fails to cure. Send for
circulars and testimonials.
Address, F. J. Cheney & Co., Toledo,
O. Sold by Druggists 75c.
Hall's Family pills are the best.

Itching Skin

Distress by day and night—
That's the complaint of those who
are so unfortunate as to be afflicted
with Eczema or Salt Rheum—and outward
applications do not cure.
They can't.

The source of the trouble is in the
blood—make that pure and this scaling,
burning, itching skin disease will
disappear.

"I was taken with an itching on my
arms which proved very disagreeable. I
concluded it was salt rheum and bought a
bottle of Hood's Sarsaparilla. In two days
after I began taking it I felt better and it
was not long before I was cured. Have
never had any skin disease since." Miss
Ida E. Ward, Cove Point, Md.

Hood's Sarsaparilla
and Pills

rid the blood of all impurities and cure
all eruptions.

Wm. Homer Leavett, the Rhode
Island husband of Bryan's young
daughter, is an artist of 33 years
of age, and a widower. He is
small and effeminate in appearance,
a beardless blonde, boyish in appearance.
The match was not to
Col. Bryan's liking, but he made
the best of it when he found Miss
Ruth was determined to marry.

Another scrap has occurred in
Arkansas between gubernatorial
candidates. A. F. Vanderventer,
a rival candidate, called Gov. Jeff
Davis a "contemptible liar." Both
men grabbed chairs, but were not
allowed to get together. There
does not seem to be any special
"coolness" in the Arkansas canvass.

The business men are responding
very liberally in taking space
in our big Tennessee Central Railroad
edition. The leading business
firms of the city, almost without
exception, will be represented,
and the edition will be the largest
of the kind ever issued in the city.
Mr. W. H. Bickers is calling upon
the merchants as rapidly as he
can. Be ready to take space.

The Seventh Annual Convention
of the Daughters of the Confederacy
will be held in Owensboro Oct.
14 and 15. Mrs. Jas. M. Arnold, of
Newport, is the President. The
delegates will be entertained by
the people of Owensboro in their
homes.

A Dallas, Texas, judge has fined
Claude Doyle, a masher, \$2,000 and
sent him to jail for four years for
insulting a lady on the street. Mr.
Doyle is evidently not as smooth an
article as his namesake, Linn C.
Doyle.

When you don't feel right—are
not yourself—but don't know what
is the matter, try taking Walther's
Peptonized Port.

It is just a good common sense
tonic that works in a natural way.
It is simply a combination of pure
pepsin, nature's own digestive
agent—with that fine, old tonic—
good port wine.

If it doesn't do the work you need
a doctor.

If you are not in need of a doctor
it will do the work.

Do not experiment with patent
nostrums of mysterious make-up,
which you would not touch if you
knew their composition. For sale
by Anderson & Fowler and James
O. Cook, druggists. Small sizes 50
cents, large size \$1.00.

GOES ON ROAD.

Mr. Mitchell Accepts Position With
Evansville Stove House.

Mr. F. J. Mitchell has sold out
his furniture business on Sixth
street and will leave this morning
for Evansville, where he has accepted
a position as traveling
salesman for a stove concern. He
will travel in Indiana principally,
but will have some Kentucky territory.
His family will remain here,
at least for the present. Mr.
Mitchell is an excellent salesman
and will no doubt make the house a
valuable man.

PILOT ROCK FARMER

Dies of Consumption, Following
An Attack of Fever.

Mr. M. M. Powell, a well known
farmer of the Pilot Rock neighborhood,
died Saturday, after an illness
of several weeks, of consumption,
following an attack of fever.
He was 54 years old and leaves a
widow and two children—a son and
a daughter.

He was a member of the Baptist
church and a man held in the highest
esteem by all who knew him.
Funeral services were held Sunday
and the interment took place in
the Ebenezer church cemetery.

BONE FOOD

Soft and crooked bones mean
bad feeding. Call the disease
rickets if you want to. The
growing child must eat the
right food for growth. Bones
must have bone food, blood
must have blood food and so
on through the list.

Scott's Emulsion is the right
treatment for soft bones in
children. Little doses every day
give the stiffness and shape
that healthy bones should have.

Bow legs become straighter,
loose joints grow stronger and
firmness comes to the soft
heads.

Wrong food caused the
trouble. Right food will cure it.

In thousands of cases Scott's
Emulsion has proven to be the
right food for soft bones in
childhood.

HOT IN THE FIFTH.

Race For Councilman Waxing
Warm.

In the Fifth Ward, given over to
the Republicans without contest,
there is a very animated fight on
between Ed. Glass, the present
councilman, and Bob Lander, the
prominent colored lawyer and politician.
Glass has represented the
ward four or five terms and has
made a good councilman, but during
his last two terms he has been
gradually losing the support of a
considerable portion of the 500 colored
voters in his ward. Two years
ago he was elected by only 53 majority.
This time the contest is being
waged with more vigor and will
be a finish fight till November, as
no nomination will be made. Peter
Postell is leading the fight for Lander
and he claims that Lander will
be elected by 200 votes. Postell
himself was under fire last week in
a race for re-election for school trustee,
but won out by a big majority,
the Glass faction doing all it could
to beat him.

Glass' friends, however, are just
as confident as Lander's.
